

Clove dental India's largest dental chain ties up with big corporates to increase awareness for oral health

New Delhi, 6th April, 2022 - Covid 19 pandemic has highlighted the importance of oral health never before. Not only did the good oral health reduced the risk of viral infection, post Covid oral good health hygiene and seeking medical care helped minimize many complications.

Extended usage of masks also meant dealing with bad breath and meant revisiting the etiquettes.

Corporate India recognizing the importance of oral health has showing a keen interest to provide its employees with oral health benefits & privileges. Large employers including Hero Moto Corp., Signature Global, Maruti, Sapient, LG, etc. have done strategic tie-up with Clove Dental, India's largest dental clinic chain to make dental care services accessible to their employees and family members. The strategic tie ups include physical and web based sessions to educate on various aspects of preventive & proactive oral health

Oral health holds more important than one might realize, more so in case of people suffering from various chronic conditions like diabetes, cardio vascular and other condition Clove has comprehensive Oral Health examination protocols to reduce health risks amongst chronic patients. Unlike regular health check-ups, timely dental care often takes a back seat in today's high-paced life. Good oral hygiene not only keeps your smile intact but also plays a significant role in avoiding more serious health issues giving you overall positive health and confidence.

Sharing his views on the importance of oral health, Lt. General Dr. Vimal Arora, Chief Clinical officer - Clove Dental, said, "The COVID-19 pandemic has had a profound impact on overall health and wellbeing, disproportionately affecting oral health and access to care. We have partnered with big brands like Hero Moto Corp., Signature Global, Maruti, Sapient, LG to extend our services far and wide benefitting million-plus customers. While ICICI, Reliance, Care are our insurance brands helping in dentistry insurance."

Dr. Ravi Aggarwal, Chief medical officer Maruti said "Thorough oral hygiene one can stop plenty of infections such as periodontitis and gingivitis which would eventually avoid further diseases from making their way into the body. Clove Dental, with its specific and multidisciplinary approach will help educate people and assist in timely oral care and prevention of systemic as well as Dental problems.

Dr. Indresh Anand Singha from LG emphasized, "Oral Hygiene should never be taken for granted and one should not neglect oral care . we are happy that many employees of LG have been treated for their dental concerns at Clove dental clinics and they are becoming more aware about oral health. I wish clove dental success in future endeavours."
